

Jun 2018

On February 9, 2018, Bobby was promoted to his eternal dwelling with Jesus Christ. During his battle with cancer, he shared these words: "Whichever the outcome, I win!" He will be deeply missed by family and friends, but he is enjoying his everlasting reward and time with those who have gone before him. What joy to know that all who trust in Christ - His death to pay for our sin and His resurrection to give us life - will one day join Bobby in heaven!
